Sir:

On February 16, 2007, a letter to correct the International Application Number was sent to the Patent and Trademark Office. It now has been noticed, that the Filing Receipt also does not show that 4 drawing sheets were included with the Application. Please correct the Filing Receipt to reflect the drawings received.

It is also believed that the Notice of Acceptance should show that the drawings were received.

A copy of the filing receipt with the correction noted is enclosed, as well as a copy of the Notice of Acceptance.

No fee is believed to be required by this request for a corrected filing receipt.

Respectfully submitted,
